6.2.1 The institutional Strategic/ perspective plan is effectively deployed

The institute has always worked upon quality improvement strategies from years.

It has developed strategies in the following areas:

- Curriculum development by ensuring a smooth transition to new syllabus over a period of time factoring in new development catering to the needs of the young students.
- Teaching & Learning through a variety of methods from experiments to internships in various companies.
- A proper system of Examination and Evaluation with remedial classes to challenge and cope up with the academical phase.
- Research & Development for students and Teachers both. Many faculties have registered for Ph.D.
- The college websites are always updated and upgraded in coordination with various departments.
- The college also organizes activities aimed at personal and professional level for the welfare of staff, students and teachers.
- Regular meetings are held with staff and students in order to create a culture of team spirit and planning for both academic and administrative matters.
